ABOUT ME

I have a strong commitment to lifelong learning in both professional and personal growth. When I face a new subject or tool, I devote my time to learn it, practice, and get guidance. My strategy is to constantly give every project my all, ensuring that I produce excellent results and gain knowledge from each experience.

WORK EXPERIENCE

● Internship (Gerencia de Países y Proyectos)

Banco Centroamericano de Integración Económica
August 2024- February 2025

Labors in BI area:

- I implemented improvements to the data sources of different dashboards that enabled reporting in less time. This resulted in a 90% reduction in response times.
- I documented the solutions built and generated user manuals.
- I designed and implemented visual and usability improvements in both existing and new solutions.
- I reviewed the availability and integrity of data in different dashboards and reports.
